DATA BOOK 1981

VOLUME A

TEXAS STATE MENTAL HOSPITALS
AND
TEXAS STATE SCHOOLS FOR THE MENTALLY RETARDED
MOVEMENT AND CHARACTERISTICS

SEPTEMBER 1, 1980 - AUGUST 31, 1981

Program Analysis, Planning and Resource Development
TEXAS DEPARTMENT OF MENTAL HEALTH AND MENTAL RETARDATION

PREFACE

Volume A describes the movement and characteristics of client populations served by inpatient facilities for the mentally ill and the mentally retarded under the direction of the Texas Department of Mental Health and Mental Retardation. Derived from individual reports submitted by Texas State Mental Hospitals and Texas State Schools for the Mentally Retarded, the tabulations cover the period from September 1, 1980 through August 31, 1981. Additional information is furnished on the Register for State School Placement for the same period.

The companion Volume B presents a tabulation of the client population served by Community Programs either operated by or related to TDMHMR. These include Community MHMR Centers, State Hospital Outreach programs, State School Outreach programs, and State Centers for Human Development.

The reader is advised to consult the Definition of Terms in both volumes to aid in interpretation of the tables.

Special Note: The following changes were made to Volume A for Fiscal Year 1981.

1. Beginning with Fiscal Year 1981, the function of Rio Grande Center was changed to that of a State Center for Human Development. As such, its MH and MR components along with its outreach program are only included in Volume B in the section dealing with Human Development Centers.

2. Psychiatric Diagnostic Categories have changed to conform with reporting from DSM-III, and detailed alcohol and drug tables have been deleted.

3. Total Client Movement tables for Hospitals and Schools now exclude furlough, unauthorized departure, and consignment information except for those on this leave status at the beginning and ending of the period. A new item added to these tables is Average Daily Population.

DEFINITION OF TERMS

NOTE TO THE USER: All tables in this volume reflect late updates received. Figures may differ slightly from preliminary data on the current fiscal year. In addition, references in this volume to previous fiscal year data will differ slightly from last year's Volume A.

I. TEXAS STATE MENTAL HOSPITALS

MOVEMENT IN

First Admissions: Direct admissions to a facility of clients who have never been served by that facility. The Total First Admissions are those to the individual facility rather than to the TDMHMR system as a whole.

Readmissions: Direct admissions to a facility of clients who have been served previously by that facility.

Direct admissions: The sum of first admissions and readmissions. Excludes transfers-in, consignments-in, and returns from furlough, unauthorized departure, and consignment.

Transfers-in: Entries to a facility from other TDMHMR inpatient facilities and from private and public non-State facilities:

Permanent: Transfer-in of clients without expectation that they will be returned to the sending facility.

Temporary: (Consignment in) Temporary transfers from other inpatient facilities for evaluation/treatment with the expectation that there will be a return to the sending facility.

All Additions: The sum of direct admissions and all transfers-in. Returns from leave not included.

MOVEMENT OUT

Discharges: The discharge of clients, with or without medical advice, while in residence or while on leave from a facility.

Permanent Transfers-out: Transfers-out to another inpatient facility without expectation of the clients' return.

Death in Institution: Death occurring while client was in residence.

Death out of Institution: Death occurring while client was on furlough, unauthorized departure, or consignment status.

Total Separations: The sum of discharges, permanent transfers-out, and deaths. Not included are placement on furlough, UD, or consignment.

STATUS

Caseload: The number of clients in residence plus those on furlough/UD/consignment as of the last day of the fiscal year (August 31). Note that on Table 2, Beginning Caseload is the number in residence plus those on leave status as of the last day of the previous fiscal year. The Ending Caseload is the number in residence plus those on leave as of the last day of the current fiscal year.

Residents: Number of clients physically present in a facility as of the last day of the fiscal year. On Table 2, Beginning Residents are those in residence as of the last day of the previous fiscal year. Ending Residents are those in residence as of the last day of the current fiscal year.

On Furlough/UD/Consignment: Count of clients who had been placed on furlough, unauthorized departure, or consignment, but who did not return as of the last day of the fiscal year. On Table 2, Beginning Furlough/UD/Consignment are clients who had not returned as of the last day of the previous fiscal year. Ending Furlough/UD/Consignment are clients who had not returned as of the last day of the current fiscal year.

Average Daily Population: The average number of clients in residence in a facility on any one day of the fiscal year.

EVALUATION

Psychiatric Diagnosis: During Fiscal Year 1981, TDMHMR and related facilities began reporting diagnoses using the conventions as outlined in the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders, Third Edition, 1980 (DSM-III).

In DSM-III there are many changes in both the concepts of evaluation and in the nomenclature from DSM-II. Since DSM-III does not readily lend itself to conversion from DSM-II, a new reporting procedure for diagnosis was instituted during Fiscal Year 1981. Because the reporting facilities had to become familiar with both a new reporting procedure and with completely new diagnostic conventions, the number of undiagnosed is higher than in previous years. It is anticipated that difficulties encountered during this first year of DSM-III will be resolved during Fiscal Year 1982.

In the tables dealing with psychiatric diagnosis, the user will note that new categories are presented which differ from those in previous Volumes A. The following provides sub-categories which are included in each major category with supplemental notes where necessary.

1. Schizophrenia and Related Disorders: Includes schizophrenia, schizophreniform, schizoaffective. Note that a separate category is provided for "Autism" which was included in "Childhood Schizophrenia" in DSM-II. Also note that the old term "Latent Schizophrenia" is now deemed to be more appropriately included in "Personality Disorders."

EVALUATION (cont'd)

Psychiatric Diagnosis (cont'd):

2. Depressive Disorders: Includes bipolar, major depressive, dysthymia. These disorders which were formerly split into several different categories are now considered similar enough from a clinical standpoint to be classed in the same general category.

3. Other Non-Organic Psychoses: Includes paranoid, brief reactive psychosis, atypical psychosis. Formerly included with depressive psychoses in "Other Functional Psychosis."

4. Alcohol Related. Includes alcohol related, substance use - alcohol. All forms of alcohol abuse and conditions relating to alcohol in the organic brain syndrome category. Note that since it is not possible in DSM-III to distinguish effectively between the specific types of abuse of alcohol and drugs, the detailed tables (7, 13, 18, 31, 41) appearing in former Volumes A do not appear in this Volume.

5. Drug Related. Includes drug related, substance abuse - drug. All forms of drug abuse and conditions relating to drugs in the organic brain syndrome category. See note under "4. Alcohol Related" above concerning detailed tables.

6. Other Organic Disorders. Includes primary degenerative dementia, multi-infarct dementia, and organic brain syndromes except for alcohol and drug related as noted above.

7. Autism/Pervasive Disorders. Includes infantile autism, childhood onset and atypic pervasive. Infantile autism was formerly included under Schizophrenia.

8. Other Developmental/Behavioral. Includes disorders first evident in infancy, childhood, and adolescence except for mental retardation, autism/pervasive, and non-organic psychoses or organic disorders classified elsewhere.

9. Anxiety/Somatoform/Dissociative. Includes anxiety states, post-traumatic stress, somatoform, dissociative, and phobic and extreme anxiety states in pre-adults.

10. Personality/Factitious/Impulse: Includes personality disorders, factitious, and disorders of impulse control.

11. Mental Retardation: Includes mild, moderate, severe, profound, and unspecified mental retardation.

12. Adjustment/Other Non-Psychotic: Includes adjustment, psychophysiological, psychosexual, other non-psychotic, other conditions not attributable to a mental disorder.

EVALUATION (cont'd)

Psychiatric Diagnosis (Cont'd):

13. No Mental Disorder: Includes no diagnosis or condition on Axis I or no diagnosis or condition on Axis II.

14. Undiagnosed: Includes deferred diagnosis, blanks, and invalid report codes.

All the above diagnostic categories were selected from the Axis on which the Principal Diagnosis was noted by each facility.

Tables 7, 12, 29, and 38 which present diagnosis for children and adolescents collapse the above categories as follows:

Mental Illness = 1., 2., 3., 6., 7., 8., 9., 10., 12.
Mental Retardation = 11.
Alcohol Related = 4.
Drug Related = 5.
No Diagnosis = 13., 14.

Physical Diagnosis: Physical evaluation as classified by the International Classification of Diseases, 9th Revision, Clinical Modification (ICD-9-CM) published by the Commission on Professional and Hospital Activities.

Sensory and Mobility Impairment: The degree of impairment in vision, hearing, or mobility (ambulation) as reported following physical examination.

OTHER CATEGORIES

Age: Admission tables report age at admission. Discharge tables report age at discharge. Resident and Caseload tables report age as of August 31.

County: Admission, Resident, and Caseload tables select county of residence. Discharge tables select county where client will reside after discharge. If discharge county is not reported, county of residence was selected for tabulation.

Length of Stay: The length of time a client is physically present in a facility. This is "net stay" which excludes time on furlough, UD, or consignment.

Type of Commitment - State Hospitals: Note. The following definitions are intended as general explanations only. For detailed legal definitions, the user is referred to the Texas Mental Health Code; Art. 5561c and Art. 5561c-1, Vernon's Texas Civil Statutes.

Voluntary: Client agrees to admit himself to a State Hospital for diagnosis, observation, care, and treatment. The categories under "Voluntary" are largely descriptive of the client's needs.

Type of Commitment - State Hospitals (cont'd):

Involuntary: Client admitted under court order in one of the following ways:

Emergency: Immediate detention of a client for a 24-hour period upon written warrant of a magistrate where it is shown that the person is believed to be mentally ill, and because of his mental illness, may cause injury to himself or to others.

OPC-Order of Protective Custody: A different type of immediate detention ordered by a County Court in which an application for Temporary Hospitalization or Indefinite Commitment is pending. The client must be examined by a physician and found to be mentally ill and likely to cause injury to himself or to others. A Certificate of Medical Examination must be filed with the Court. An OPC expires after 14 days if the Application for Temporary Hospitalization has not been finalized by the Court. An OPC expires after 30 days if the petition for Indefinite Commitment has not been finalized by the Court. The OPC is also applicable to Alcoholic and Narcotic commitment procedures.

Temporary Hospitalization: Commitment for a period of 90 days or less of a client who has not been charged with a criminal offense, client must have been examined by two physicians and found to be mentally ill and in need of observation and/or treatment in a mental hospital. The physician must examine the client within 5 days of the filing of his Certificate of Examination with the Court. An order may be issued by the Court after a hearing is held on the application.

Criminal Court: Order by the criminal court committing a person charged with a crime to hospitalization for observation/treatment.

Indefinite: Commitment of a client who has been under observation and/or treatment during temporary hospitalization(s) for a period of at least 60 days within the 12 months immediately preceding the filing of the petition. Two physicians must have examined the client within 15 days immediately preceding the filing of their petitions. If the Court finds that the client is mentally ill and requires hospitalization for his own welfare and protection or the protection of others, the Court will issue an order committing the client for an indefinite period of time.

Importation: Transfer-in to a TDMHMR facility from another State of a client who is under an involuntary commitment.

Alcoholism: Involuntary Commitment of a client found to be an alcoholic and likely to cause injury to himself or to others by a County Court.

Narcotic: Involuntary commitment of a client found to be addicted to narcotic drugs and likely to cause injury to himself or to others by a County Court.

OTHER CATEGORIES (cont'd)

Type of Commitment - State Hospitals (cont'd):

M.R.: Commitment of a client evaluated as mentally retarded after a comprehensive diagnostic procedure shows that the client will benefit from long-term residential care, treatment, and training.

Referral: Categories are provided to denote the source of referral at admission and the place, agency, facility, etc. to which the client is referred at discharge.

Self, family, friend: Self-explanatory.

Outreach: (Hospital, School) A community program providing treatment/training in a non-institutional setting under Hospital or School auspices following geographic catchment areas. For Hospitals, the School Outreach referrals are included in "Other." For Schools, the Hospital Outreach referrals are included in "Other."

Community MHMR Center: Facility receiving grants-in-aid which provides a complex of community-based services (inpatient, outpatient, diagnosis, evaluation, etc.) under the direction of boards of trustees appointed by local governments.

Independent Living. A living situation which does not logically fall into categories such as halfway house, foster home, or sheltered workshop. The client either lives alone or with other clients under indirect supervision by the facility which has aided in the placement of the client. This is not the same as "Self, family, friend."

Halfway House: Community-based home with rehabilitative and supportive services to assist client in making transition from institutional to independent living. Group Living is included here.

Sheltered Workshop: Non-institutional work setting with long-term or transitional employment for which clients receive wages.

Foster Home: A living situation with a family not the client's legal guardian, usually under supervision of a professional agency.

State/County/Social Agency: Family Service, Texas Rehabilitation Commission, Public School, Department of Human Resources, Alcoholic Anonymous, and other public agencies not elsewhere specified.

MH Professional/Non-Psychiatric Physician: Psychiatrist, psychologist, psychiatric social worker, other mental health professional, or a physician who is not a psychiatrist. Classified under "Other" for schools.

Nursing Home: Non-hospital residential setting providing nursing, personal, and other related care services on a short-term, intermediate, or long-term basis. Includes ICF-MR facilities.

OTHER CATEGORIES (cont'd)

Referral (cont'd):

TDMHMR institution: A Texas State Mental Hospital or a Texas State School for the Mentally Retarded.

Human Development Center: A TDMHMR-operated facility to provide the mentally retarded with such services as diagnosis and evaluation, counseling, day care, training, respite care, etc., as well as a short-term domiciliary care for the mentally retarded and mentally ill. An alternative to institutional placement. Classified under "Other" for Hospital referrals.

Other MHMR Inst/Medical Facility: Non-State hospital or institution, federal hospital (USPHS, Veterans), private psychiatric hospital, private facility for the mentally retarded, general or private hospital with medical services and with or without psychiatric or psychological services.

Court, Law Enforcement Agency: County or district courts, magistrates, State or local law enforcement agencies.

Other:

Hospital Tables: Human Development Centers, School Outreach, and other categories not logically classifiable above.

School Tables: MH professional, non-psychiatric physician, Hospital Outreach, and any other categories not logically classifiable above.

No Referral: Facility reported that no referral was made.

Not Reported: Referral was not reported by facility.

II. TEXAS STATE SCHOOLS FOR THE MENTALLY RETARDED

NOTE: For Movement In, Movement Out, Status, Physical Diagnosis, Sensory and Mobility Impairment, Age, Referral categories, and County, refer to the definitions under State Hospitals.

EVALUATION

The following terms are reported under the coding conventions of the Manual on Terminology and Classification in Mental Retardation, 1977 Rev., American Association on Mental Deficiency.

Convulsive Disorder: Characterized by periodic motor or sensory seizures.

Motor Dysfunction: The motor disabilities of cerebral palsy.

EVALUATION (cont'd):

Intelligence Quotient (IQ): Level of intellectual functioning determined on the basis of standard tests administered at State Schools. In instances where standard I.Q. tests cannot be administered, as S.Q., or Social Quotient, is used and is reported under "Other Level of Intellectual Functioning." IQ ranges may be interpreted as follows:

0-19 - Profound retardation
20-34 - Severe retardation
35-49 - Moderate retardation
50-69 - Mild retardation
70+ - No retardation

Adaptive Behavior Level: The degree that the individual meets standards of personal independence and social responsibility expected of his age and cultural group.

Psychiatric Impairment: Retardation following psychosis or other psychiatric disorder when there is no evidence of cerebral disorder. Not a concomitant manifestation of mental retardation.

TYPE OF COMMITMENT - Texas State Schools for the Mentally Retarded

Voluntary: Placement of a mentally retarded person in a State School without a court proceeding as follows: 1) client is admitted under his own volition; 2) minor child is admitted by a parent, guardian, or managing conservator; or 3) an adult is admitted by guardian or limited guardian for long-term residential care, specific training, or treatment.

Involuntary: Client is admitted under court order in the following ways:

1. Client admitted after a comprehensive diagnosis and evaluation indicates that the person is mentally retarded and is in need of long-term residential care, training, and treatment. (Note: This includes minors committed under Sec. 55.03 of the Family Code and adults committed under Article 46.02 of the Court of Criminal Procedure.)

In some cases, the individual is ordered by a court to submit to a sequence of observations and examinations which lead to conclusions and recommendations formulated by a certified diagnois and evaluation team. The facility is authorized to admit the person, perform the necessary evaluations, and report the findings to the Court.

2. Order of Protective Custody (OPC). A time-specific order pursuant to an application for the commitment described above. The person has been determined to be injurious to himself or others, and space is available at a facility.

TYPE OF COMMITMENT (cont'd)

MR Crisis Intervention (Respite Care): For special assistance or relief to a mentally retarded person and/or his family: 1) client is admitted under his own volition; 2) minor child is admitted by a parent, guardian, or managing conservator; 3) adult is admitted by guardian or limited guardian. Note that Fort Worth State School admits a number of short-term clients for respite care. During FY 81, this facility was instructed to report "MR Crisis Intervention" as the type of commitment for these clients. This accounts for the larger number at Fort Worth falling into this category than during FY 80.

For additional information regarding commitment, consult the Mentally Retarded Persons Act of 1977.

III. THE REGISTER FOR STATE SCHOOL PLACEMENT

The Register for State School Placement is a statewide listing of applicants who are eligible for admission to Texas State Schools for the Mentally Retarded. Occasionally, placement is made in State Centers for Human Development and in the MR Unit at Rusk State Hospital. Application is made through Community MHMR Centers, State Centers for Human Development, or State Schools for the Mentally Retarded which serve the county where the applicant resides.

Placements During the Period: Placement of clients in residential facilities during the fiscal year. Note that placements made in Human Development Centers and in the MR Unit at Rusk State Hospital are included in Tables 90 and 92, but not in Tables 46 and 91, which are specific to State Schools only.

Additions to the Register: The count of additions to the Register during the Fiscal Year includes: (1) new active applicants added to the Register; (2) applicants previously deleted from the Register who were re-added as active; (3) applicants on the Register whose status changed from "deferred temporarily" to "active" during the period. All three types of active additions are counted regardless of their status at the end of the period. Note that if an applicant was reactivated, then deferred, and reactivated again, only the second reactivation is counted.

Scheduled Admissions: Applicants on the Register who have not yet been placed in residential facilities, but who have been scheduled to be admitted to a residential facility.

Active: Applicants on the Register who are eligible for placement in residential care facilities. Not included are those applicants who have been deferred temporarily or who have been scheduled for admission to a residential facility.

Deferred Temporarily: Applicants whose application for admission to a residential facility has been temporarily withdrawn from admission consideration at the end of the fiscal year.

VOLUME B

TEXAS COMMUNITY PROGRAMS
MOVEMENT AND CHARACTERISTICS

SEPTEMBER 1, 1980 - AUGUST 31, 1981

Program Analysis, Planning and Resource Development

TEXAS DEPARTMENT OF MENTAL HEALTH AND MENTAL RETARDATION

PREFACE

Volume B is a description of the population served by Community Programs which are either operated by or affiliated with the Texas Department of Mental Health and Mental Retardation. These programs include Community MHMR Centers, State Hospital Outreach Programs, State School Outreach Programs, and State Centers for Human Development.

Being community-based, facilities provide assistance to clients near their places of residence. Data presented covers the period from September 1, 1980 through August 31, 1981 and includes additions, inactivations, and individuals served by characteristics and services.

The companion Volume A presents a tabulation of movement and characteristics for those clients served by Texas State Mental Hospitals and Texas State Schools for the Mentally Retarded.

The reader is advised to consult the Definition of Terms in both volumes to aid in interpretation of the tables.

Special Note: Beginning with Fiscal Year 1981, the function of Rio Grande Center was changed to that of a State Center for Human Development and is so included in this Volume. Its MH and MR components no longer appear in Volume A as classed with State Hospitals and State Schools.

DEFINITION OF TERMS

NOTE TO THE USER:
All tables in this Volume reflect late updates received. Figures may differ slightly from preliminary data reported on the fiscal year. During Fiscal Year 1981, data was taken from Centers' reports to Central Office on individual clients, with the exceptions of Central Counties Center for MHMR Services and Gulf Coast Regional MHMR Center which submitted summary tables.

Community MHMR Center: A facility receiving grants-in-aid which provides a complex of community-based services (inpatient, outpatient, diagnosis, evaluation, etc.) under the direction of a board of trustees appointed by local government.

Outreach (State Hospital, State School): A community program providing training/treatment in a non-institutional setting under Hospital or School auspices and following a geographic catchment areas. Many outreaches are located in areas not served by Community MHMR Centers. Note that for Texas Research Institute, the clients were served in outpatient programs.

State Center for Human Development: A TDMHMR-operated facility which provides the mentally retarded with such services as diagnosis and evaluation, counseling, day care, training, respite care, etc., as well as short-term domiciliary services for the mentally retarded and the mentally ill. It is an alternative to institutional placement.

CLIENT MOVEMENT

Admissions: (Part I) Admissions to a facility during the fiscal year of clients who were either new to services at that facility or who returned for services after previous inactivation.

Inactivations: (Part I) Clients for whom facility care was discontinued through discharge or separation from the facility register. Note that facilities are not required to report all inactivations since services may resume for an inactivated client during the period.

Number Served: (Parts II, III, IV) The number of individuals (unduplicated count) who received direct services during the fiscal year regardless of when they were originally admitted. Contacts seen but not admitted were not counted (see Direct Services below).

SERVICES (Part III)

Direct Services: Services provided to a client or his collateral (relative, professional, or other person with interest in client) which involve face-to-face or telephone interactions between the service provider and his client or collateral. Only direct services are reported in these tables. Services rendered to a client who has not been assigned a case number on the facility's register are not counted. Neither are such indirect services as other agency consultation, program planning, or public education.

Service Type: The type of service provided to a client in an outpatient or partial care/residential (24-hour) setting. Note that a client may receive more than one type of service so that the total clients on tables presenting service type (Part III) may be higher than on tables showing individuals served (Parts II and IV).

Outpatient services are service types 1-10, 13, 20, 21, 23-26, 28, 29, 31, and 35-38. For these services, only the Server Hours are reported as indicated below. Partial Care/Residential (24-Hour) services are service types 11, 12, 14-19, 22, 27, 30, 32, and 33. For these services only the Client Hours are reported as indicated below.

1. Intake/Screening: Activities which focus upon the appropriateness of clients for service and/or assignment of clients to treatment and care.
2. Diagnosis/Evaluation: Assessing and interpreting client's problems through medical, neurological, speech, hearing, psychological, and psychometric examinations, and diagnostic interviews.
3. Individual Therapy: Therapy at the Individual client level including supportive psychotherapy, insight therapy, behavior therapy, psychoanalysis, counseling, casework, play therapy, etc.
4. Group Therapy: Treatment through the use of group interaction or group dynamics such as group psychotherapy, psychodrama, group psychoanalysis, etc.
5. Family Therapy: Treatment restricted to a family unit. Significant members of the family are seen together. The types of therapy are the same as for group therapy. Married couples and groups containing more than one family are considered under Group Therapy.
6. Family/Collateral Counseling: Treatment of a client through interviews with family members or other collateral person (someone other than the client).
7. Medication: Treatment by use of medications.
8. Vocational/Rehabilitation Counseling: Assistance to a client in developing work skills, habits, and attitudes, and assistance in job placement.
9. Social Rehabilitation/Resocialization: Therapy to aid in client psychosocial adjustment through the learning or relearning of social skills including occupational therapy, recreational therapy, self-care training, etc.
10. Special Education - Individual: Individually scheduled and administered training, tutoring, and teaching of the mentally retarded or emotionally disturbed client. Aims at increasing social, academic, and/or vocational skills.

(Service Type cont'd)

11. Pre-School Day Care: Training for children who are too young for classes in a school environment. Includes training in self-help skills, motor skills, and social development.

12. Other Day Care: Day training service for clients of any age whose handicapping condition is such that they are unable or ineligible to attend special education classes in a school environment.

13. Home Management: Direct assistance or training in carrying out the activities of daily living provided to a client and/or his family during an illness, crisis, or period of disabilities.

14. Adult Activity: Designed to involve clients and participants in pursuing hobbies, games, serving, cooking, etc. The distinction between this and Vocational/Rehabilitation (8) is that none of the skills acquired of themselves would qualify the patient for paid employment.

15. Sheltered Workshop: Service for the handicapped including work evaluation, personal adjustment training, vocational skill training, and extended employment either in transition to outside employment or as work adjustment.

16. Town/Halfway House: A transitional, supervised residential facility that provides social and personal rehabilitative service.

17. Nursing Home: Temporary or long-term non-hospital residential facility, primarily medical in orientation, that provides supervised care and activities on a short-term, intermediate, or long-term basis.

18. Hospitalization: 24-hour service offering room and board, medical, nursing, general social and emotional care for those temporarily unable to live independently in the community because of emotional and/or behavioral problems.

19. Other Residential Care: Residential care other than Hospitalization (18) or Town/Halfway House (16). Includes 24-hour care of retardates on a long-term or short-term basis.

20. Case Consultation: Meetings with center staff or between center staff and representatives of other organizations (or private practitioners) for the purpose of assisting the consultee in providing services to an identifiable individual or family.

21. Emergency: Services rendered in a crisis situation, regardless of the modality in which they are delivered (e.g., inpatient, outpatient). Includes suicide calls.

22. Recreation: Supervised activity involving primarily physical activities such as team or individual sports, swimming, calisthentics, etc.

(Service Type Cont'd)

23. Home Visit: Conducted in the temporary or permanent residence of the recipient to (1) provide an objective assessment and help in meeting mental health problems, (2) to assist families in utilizing community resources, and (3) provide direct services for clients or families. Does not include activities of daily living (see Home Management, 13).

24. Speech/Hearing Therapy: Any therapeutic intervention designed to alleviate or correct speech and/or hearing disorders.

25. Transportation: Providing center clients transportation to and from places of service such as center offices, day care centers, recreational programs, and the State Hospital.

26. Other Service: Direct service not falling logically into other service types.

27. Special Education - Group: Regularly scheduled training and teaching of groups of the mentally retarded or emotionally disturbed within a school environment which aims at increasing their social, academic and/or vocational skills.

28. Music Therapy: Use of music as a therapeutic tool in the treatment of emotional or social disorders.

29. Medical Services: Services of a physician other than D & E, medication, individual or group therapies, etc. Includes ECT, as well as non-psychiatric medical services.

30. Partial Hospitalization: Limited to daytime, nightime, or weekends with services the same as Hospitalization (18).

31. Vocational Evaluation: Activities designed to determine vocational aptitudes and interests prior to development of an individual vocational rehabilitation plan. May involve objective testing, work sampling, on-job testing, etc.

32. Vocational Training: On-the-job training designed to develop vocational skills in a particular vocational area. May involve training in multiple-skill development.

33. Work Activity Center: Therapeutic training designed exclusively for handicapped clients whose physical or mental impairment is so severe as to preclude productive activity. Includes personal-social adjustment training.

34. Community Development: Not considered a direct service to a client. The purpose of this service is to increase community awareness of mental retardation, programs available to the mentally retarded, and to stimulate social action to meet the needs of the MR in the community.

35. State Hospital Admission Screening: Screening services only for the purpose determining whether an admission or readmission to a State Hospital for a client is indicated. Screening does not necessarily result in admission to center.

(Service Type Cont'd)

36. State School Admission Screening: Screening services only for the purpose of determining whether an admission or readmission to a State School for a client is indicated. Client is not necessarily admitted to the center.

37. Discharge Planning: Time spent with a client, State Hospital or State School staff, or with other collateral, while client is still residing in the institution, with the purpose of determing aftercare services.

38. Follow-up Services: Follow-up contact with a client after discharge or furlough from State School or a State Hospital.

Service Time (Hours): Outpatient service types are concerned with Server time while Partial Care/Residential (24-hour) are concerned with Client time. Hours of service are entered either under "Server Hours" or "Client Hours" according to Service Type.

Server Hours: (Outpatient Service) Includes only Service Types 1-10, 13, 20, 21, 23-26, 28, 29, 31, 35-38.

Total: The total server (staff person) time reported for each outpatient service type. Server hours are divided by group size prior to summation.

Average Per Client: The total server time reported for a Service Type divided by the total number of clients receiving that type of service.

Client Hours: (Partial Care/Residental [24-hour] Service) Includes only Service Ttpes 11, 12, 14-19, 22, 27, 30, 32, and 33.

Total: The total client time reported for each Service Type. Client time is not divided by group size prior to summation.

Average Per Client: The total client time reported for each Service Type divided by the total number of clients receiving that type of service.

DIAGNOSTIC TERMS (Parts I, II, and III)

During Fiscal Year 1981, TDMHMR and related facilities began reporting diagnoses using the conventions as outlined in the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders, Third Edition, 1980 (DSM-III).

MH: Psychiatric disorders exclusive of mental retardation, alcoholism, or drug abuse. For a delination of the categories falling into this grouping, consult Volume A of DATA BOOK 1981.

(Diagnostic Terms Cont'd)

MR: Mental Retardation.

ALC: Alcohol Related.

DRUG: Drug Related.

NO DIAGNOSIS: No evaluation made, diagnosis deferred, no mental disorder.

REFERRAL: (Part I) Source of referral at admission and referral upon inactivation.

State Hospitals: TDMHMR-operated State Mental Hospitals.

State Schools: TDMHMR-operated State Schools for the Mentally Retarded.

Other TDMHMR Fac: Hospital or School Outreach, Human Development Center.

All Other: All other referrals not falling into the above categories.

AGE: (Part II Age is calculated as of the last day of the fiscal year.

COUNTY: (Part IV) The county where the client resides.
